

## MEMORIAL INSCRIPTIONS

- Existing monuments and markers can be lettered on site without damaging or disturbing the memorial.
- Added inscriptions will match previous work regardless of where it was originally purchased.
- The work is completed by professionals with many years of experience.
- All work is guaranteed.

## MEMORIAL CLEANING

- Monuments and markers that are exposed to the outdoors will overtime become soiled.
- It is important to understand how each material needs to be cleaned.
- Most signs of wear are not permanent.
- All work is performed by trained cemetery personnel.
