

WHY YOU SHOULD PURCHASE YOUR MEMORIAL FROM THE CATHOLIC CEMETERIES

- 1 Your cemetery is perpetual—it will always be in business.
- 2 Your cemetery applies the additional income from your memorial purchase to continue the beautification of the cemetery grounds.
- 3 Your cemetery has no staff on commission, therefore their main goal is to inform you of your options without the pressure of making a sale.
- 4 Your cemetery purchases your memorial directly from the manufacturer—there are no middlemen.
- 5 Your cemetery knows you. You have dealt with us either before or during your time of loss.
- 6 Your cemetery has trained counselors who are familiar with your lot and its requirements.
- 7 Your cemetery will be sure that only the very best material is used for your memorial because it must be concerned with the appearance and upkeep of the marker.
- 8 Your cemetery has crews which are trained to efficiently handle your memorial placement. Your cemetery is responsible if there is any damage in placement of memorial purchased through the cemetery.
- 9 Your cemetery has assumed the responsibility of caring for your loved one's grave. It is only natural that you should place your memorial under the same personal care and attention the resting place requires.
- 10 Your cemetery handles your future needs directly through its own office.
